

Kilkenny

**Why Kilkenny for
Meetings, Incentives,
Conferences & Events?**

We know that as a planner, sometimes you need a vibrant, unique and accessible destination that just offers a little bit more.

This can be found in Kilkenny, a small county in the heartland of Ireland, one of the country's oldest Medieval cities, but one that offers a singularly unique and inimitable experience, defined the only way we know, as **Kilkenny Energy**.

Kilkenny Energy is the blend of our authentic Medieval past with our vibrant, creative and contemporary present. It is the unique combination of the creativity of design craft, our thirst for culinary excellence, our enthusiasm for fun, the wisdom that comes with being around since medieval times, our dynamism for amazing festivals and events, our passion for sport, the power of nature and our outdoors and our unwavering dedication to friendliness and inclusion.

All this is wrapped up in an intimate and walkable city which is dedicated to providing seamless citywide events in spaces that feel like neighbourhoods. Offering a unique and varied collection of experiences. The city blends into the countryside and within minutes the county captivates: rich green pastures, meandering rivers, magical forests and charming hamlets offer moments of reset and renewal.

Whether your group size is 50, 500 or 1,500 Kilkenny offers an abundance of immersive experiences which go far beyond the rope and forge human connections, creating lasting memories.

Let us help you to capture Kilkenny Energy for your group.
